

Moose Lake Dairy Department

The Marketplace Foods Dairy Department is proud to bring you a wide selection of the freshest dairy products available. We offer a large variety of Kemps, Arrowhead, and Our Family milk delivered fresh to our stores from Minnesota creameries. We also offer an assortment of specialty milks including Silk Soy Milk, Our Family Organic Milk and Stonyfield Organic Milk. We carry a large variety of farm fresh eggs featuring names such as Our Family and Eggland's Best. You will find a vast selection of yogurts, cheese, cottage cheese, and sour cream from trusted names like Old Home, Kemps, Crystal Farms, and Yoplait.

The knowledgeable and friendly staff is led by manager Tim Peterson, who has over ten years experience in the grocery business. Tim is assisted by Phil, who has worked at Marketplace Foods for over two years. Feel free to come and have Tim or Phil assist you with any of your shopping needs.
